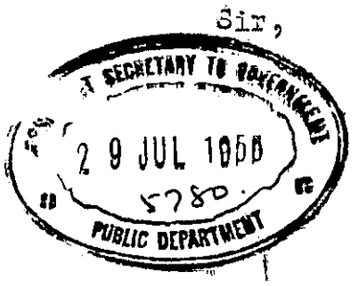
Sir,



COMMUNITY PROJECT (SOUTH KANARA) - Construction of a new building to locate the minor veterinary Dispensary, Karkal - regarding.

--

Ref:- Proceedings of the Project Advisory Committee held on 28-2-1955

--

The minor Veterinary Dispensary, Karkal, since upgraded into a full fledged dispensary under the Community Project aid sanctioned in G.O.Ms.No.1329 Public (RDP) department dated 11-6-1954 is housed in a rented building. The District Veterinary Officer, South Kanara has requested that a new building may be got constructed to locate the dispensary from Community Project funds. This proposal of the District Veterinary Officer was examined by the Project Advisory Committee at its meeting held on 28-2-55 and the committee has approved the proposal. An extract of committee's resolution is furnished below for kind perusal.

"Resolved that a building may be constructed from Community Project funds, if available, for the Veterinary ~~Dairying~~ Dispensary Karkal, on any suitable plot in Karkal Town".

2 On the basis of this resolution, an estimate has been got prepared by the Assistant Engineer and the total cost of the estimate is Rs.14,600/-. The availability of funds under Community Project budget for the purpose has since been examined in detail. It is found that no amount will be available in the Community Project budget for the construction of the building as there are already new items of improvements proposed to be executed for the 3 Veterinary Dispensaries started under the auspicious of the Community Project at the block Head-quarters.

3. There is, however, real need for a pucca Government building for the upgraded Veterinary Dispensary at Karkal which is now housed in a rented building, I therefore submit that the Government may kindly be pleased to sanction an expenditure of Rs.14,600/- for the construction of a building for the dispensary from the state funds in consultation with the Director of Animal Husbandry. The estimate with plan received from the Assistant Engineer is enclosed for favour of perusal and necessary further action.

Please see Public (RDP) Dept. notes above. There are many other Municipality dispensaries in this State which

are housed in rented buildings : It is not known whether the need for a Govt. building for the Vety. dispensary at Karkal is greater than in other places. The estimate in original with a Copy of the report of P.E.O., South Kanara may be sent to DAH. for ~~necessary action~~ disposal. Subject to orders a draft memo is submitted below for approval.
